On-board one of Europe's newest river cruise ships, you'll get to experience all its fantastic features, like the heated swimming pool and cinema.

Tonight you're invited to join your fellow travelers for a fabulous Welcome Dinner. Your Cruise Director will also hold a port talk to tell you all about the exciting activities you have to look forward to in the days ahead as you sail along the Rhine River.

## DAY 3 COLOGNE

Today you'll cruise along the Rhine River to Cologne. Founded by the Romans, the city is one of Germany's largest, oldest and yet most modern cities, largely due to a rebuilding plan post WWII. After lunch on-board your ship, you'll join your local guide for an included tour of the Old Town, with its beautiful squares, historic monuments, countless characteristic memorials and wells, and of course its magnificent World Heritage-listed Gothic Cathedral, Kölner Dom.

Once you learn all about the city, you'll be left to your own devices to explore the many shops, museums and galleries - including an interesting Roman artifact museum.

Or if you're feeling energetic, why not climb to the top of the Kölner Dom to enjoy spectacular views of the city?

Included meals: breakfast, lunch and dinner.

## DAY 4 KOBLENZ - RHINE GORGE

Situated at the confluence of the Rhine and Moselle rivers, today you arrive at the 2,000 year old town of Koblenz.

Looking out from the ship, you'll spot your next point of call, the Ehrenbreitstein Fortress, on the opposite side of the river. Part of the Prussian defenses against the French in the 19th century, it was later used as a headquarters for the American military during WWII.

After your included tour exploring the historic fortress you'll enjoy free time to wander through the town and take in the views. In the afternoon, you're in for a picturesque treat as you sail through the spectacular Rhine Gorge. Featuring heavily in German folklore, it is said that the hero Siegfried is meant to have slain a dragon at the famous Drachenfels Castle, which is why the Counts of Drachenfels have a dragon in their coat of arms.

As you cruise, you'll enjoy photo opportunities at every bend, passing countless castles and vineyards as well as the famous Lorelei Rock, which legend says, was haunted by a lovelorn maiden whose singing lured sailors onto the treacherous rocks. You'll also see Pfalzgrafenstein Castle, which was built on an island in the middle of the river as a medieval toll station.
